As a property owner, tenant or person who has requested notice, you should know that the Planning Commission will hold a public hearing to approve, conditionally approve, modify or deny an application for a Planned Development Permit requesting a height deviation for a proposed unmanned wireless communication facility consisting of twelve panel antennas behind 5-foot high decorative parapets with associated equipment inside an existing two-story industrial building. The project site is located at 3191 Commercial Street between 31st and 32nd streets in the I-1 (Industrial) zone of the Memorial Neighborhood of the Southeastern San Diego Community Plan Area.

The decision of the Planning Commission is final unless appealed to the City Council. In order to appeal the decision of the Planning Commission you must be present at the public hearing and file a speaker slip concerning the application or have expressed interest by writing to the Planning Commission before the close of the public hearing. To file an appeal, contact the City Clerk at 202 "C" Street, Second Floor. The appeal must be made within 10 working days of the Planning Commission decision. If you wish to challenge the City's action on the above proceedings in court, you may be limited to addressing only those issues you or someone else have raised at the public hearing described in this notice, or written in correspondence to the City at or before the public hearing.
